

2025 Corpus Christi 7 Day Film Project Location Release Form

(Submit this form with your film on Wednesday, July 16, 2025. Include a form for every privately-owned location used in your film.)

By signing this form, you give permission for a CC7D filmmaking team to film at your property. That footage may be used in their short film and in behind-the-scenes clips — and it may be shown at festivals, online, and in future promotions for the Corpus Christi 7 Day Film Project (CC7D). You will not receive payment or creative control, but your property will be treated with care.
