

2025 Corpus Christi 7 Day Film Project Materials Release Form

(Submit this form with your film on Wednesday, July 16, 2025. Please include a form for every trademarked or special-use item used in your film. If the film uses stock special effects from a library, staple the license or registration and fill out Section 1.)

Use this form if your film includes props, artwork, costumes, logos, or stock visual effects and animations that you didn't create yourself. If you use a stock asset (like an After Effects explosion or motion graphic), just fill out Section 1 and attach proof of license or usage rights. If you're using custom materials (like a sculpture or branded car), complete the full form.

SECTION 1: MATERIALS DESCRIPTION:

Team Name: _____

Describe the item(s) used in the film:

(e.g., "original mural by John Smith," "licensed Adobe After Effects fireball effect," "company logo")

Original/Custom Material Stock Asset (attach license or receipt) Logo

Contact Email (optional): _____

SECTION 2: Grant of Rights (for Original/Custom Materials): For good and valuable consideration, I give the filmmakers and the Corpus Christi 7 Day Film Project ("Producer") full permission to use the materials described above in their short film and any related or promotional content. This includes the right to:

- Film, photograph, and display the material on screen
- Edit or modify the footage as needed
- Use it in social media, trailers, behind-the-scenes content, advertising, and future CC7D promotions
- Share and distribute the footage in any media, worldwide and forever

I understand that I am not entitled to payment or creative approval, and the team is not required to use the materials in the final film.

SECTION 3: Legal Confirmation (for Original/Custom Materials): I confirm that:

- I own or control the rights to the materials listed above.
- I have the authority to grant this permission.
- The materials do not violate any copyright, trademark, or publicity rights of another person or company.

I agree to hold CC7D and the filmmakers harmless if any legal claims arise from the use of these materials.

This agreement is binding under Texas law. It represents the full understanding between the parties and can only be changed by written amendment.
